**Re: Docket No. 20240099-EI, Petition for rate increase by Florida Public Utilities Company.**

Dear Mr. Haffecke:

In response to your Test Year Notification Letter dated June 18, 2024, the Florida Public Service Commission has opened Docket No. 20240099-EI for Florida Public Utilities Company's (Company) forthcoming base rate proceeding for its electric divisions. It has been noted that the Company proposes to utilize a projected 12-month test period ending December 31, 2025, for the permanent base rate increase proceeding. In addition, the Company intends to seek an interim base rate increase based on the historic 12-month test period ended December 31, 2023. However, please be advised that the appropriateness of the selected test years may be an issue in the proceeding.

It is noted that the Company is requesting the petition be processed using the proposed agency action process authorized in Section 366.06(4), Florida Statutes. It is my understanding that the Company intends to make its filing no earlier than August 19, 2024. If the Company is unable to file by August 19, 2024, it must notify the Commission in accordance with the provisions of Rule 25-6.140(3), Florida Administrative Code.

If you have any questions or concerns regarding this matter, please contact Andrew Maurey, the Director of the Division of Accounting and Finance at (850) 413-6465.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike La Rosa".
