In re: Petition by Florida Power & Light Company  
for Base Rate Increase and Rate Unification

Docket No. 20210015-EI

Filed: July 8, 2024

**FLORIDA POWER & LIGHT COMPANY’S FIRST REQUEST  
FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION OF  
CERTAIN INFORMATION CONTAINED IN THE STIPULATION  
BETWEEN FLORIDA POWER & LIGHT COMPANY AND THE  
LEAGUE OF UNITED LATIN AMERICAN CITIZENS, ENVIRONMENTAL  
CONFEDERATION OF SOUTHWEST FLORIDA, AND FLORIDA RISING, INC.**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (“FPL”) hereby submits its First Request for Extension of Confidential Classification of certain information contained in the stipulation between FPL and the League of United Latin American Citizens, Environmental Confederation of Southwest Florida and Florida Rising, Inc. (the “Confidential Information”). In support of its Request, FPL states as follows:

1. On September 16, 2021, FPL filed a Request for Confidential Classification of the Confidential Information (Document No. 11240-2021). By Order No. PSC-2023-0033-CFO-EI, issued January 10, 2023, the Commission granted FPL’s September 16, 2021 Request for Confidential Classification. FPL herein adopts and incorporates by reference the September 16, 2021 Request and Order No. PSC-2023-0033-CFO-EI.

2. The period of confidential treatment granted by Order No. PSC-2023-0033-CFO-EI will soon expire. The Confidential Discovery Responses that were the subject of FPL’s September 16, 2021 Request and Order No. PSC-2023-0033-CFO-EI warrant continued treatment as proprietary and confidential business information within the meaning of Section 366.093(3). Accordingly, FPL hereby submits this First Request for Extension of Confidential Classification.

3. All the information designated in Exhibits A and B to the September 16, 2021 Request remain confidential. Accordingly, those exhibits will not be reproduced or reattached here.

4. Regarding First Revised Exhibit C, all the information listed in the September 16, 2021 Request remains confidential; the Exhibit is revised only to identify Alex Dobin as a new declarant.

5. Also included is First Revised Exhibit D, which is the declaration of Alex Dobin.

6. The Confidential Information is intended to be and has been treated by FPL as private, its confidentiality has been maintained, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, Fla. Stat., such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

7. As stated in FPL's September 16, 2021 Request and as described in the declaration included as First Revised Exhibit D, the Confidential Information contains competitive business information the disclosure of which would impair the competitive business of the provider of the information. Specifically, the disclosure of this confidential information would significantly impair and jeopardize FPL's ability to compete for, attract, and retain the personnel necessary to provide safe, reliable, and affordable service to its customers. This information is protected by Section 366.093(3)(e), Fla. Stat.

8. Upon a finding by the Commission that the Confidential Information is proprietary confidential business information, the information should not be declassified for a period of at

least eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. See § 399.093(4), Fla. Stat.

**WHEREFORE**, for the above, as more fully set forth in the supporting materials and declarations, FPL respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,

FLORIDA POWER & LIGHT COMPANY

**BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION**

In re: Petition by Florida Power & Light Company  
for Base Rate Increase and Rate Unification

Docket No. 20210015-EI

**DECLARATION OF ALEX DOBIN**

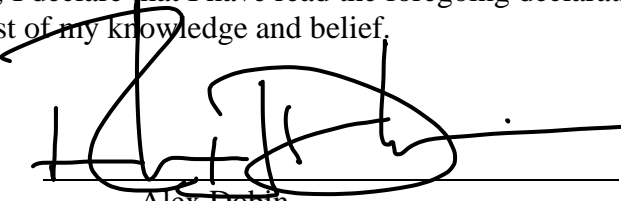

1. My name is Alex Dobin. I am currently employed by Florida Power & Light Company (“FPL”) as Director, HR Business Advisors. I have personal knowledge of the matters stated in this written declaration.

2. I have reviewed the documents referenced and incorporated in FPL’s Request for Confidential Classification, specifically information contained in the Stipulation between FPL and the League of United Latin American Citizens, the Environmental Confederation of Southwest Florida, and Florida Rising, Inc. entered into the evidentiary record at the hearing in the above referenced docket.

3. The document or material that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain competitive business information the disclosure of which would impair the competitive business of FPL. Specifically, the disclosure of this confidential information would significantly impair and jeopardize FPL’s ability to compete for, attract, engage and retain the personnel necessary to provide safe, reliable, and affordable service to its customers. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

4. Confidential treatment of the above-described information was granted by Commission Order No. PSC-2023-0033-CFO-EI issued January 10, 2023. Nothing has occurred since that time to change the confidential nature of this information and, as such, these materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

5. Under penalties of perjury, I declare that I have read the foregoing declaration and that the facts stated in it are true to the best of my knowledge and belief.

  
Alex Dobin
