Mr. Adam Teitzman, Commission Clerk
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, FL 32399-0870

Dear Mr. Teitzman:

Transmitted herewith for your review and approval is revised Miscellaneous Charges Tariff Sheet No. 4.1 for Talquin Electric Cooperative, Inc. (the "Cooperative").

The existing tariff sheet is revised to:

- Reduce the residential deposit from \$525 to \$400, and
- Increase the deposit for a new home under construction from \$250 to \$400.

The reason for implementing the residential deposit revision is to better reflect a dollar amount equal to two times the average monthly billing for residential services. The reason for the revision to the new home under construction deposit is to make it the same as the revised deposit for existing residential services.

An effective date of September 1, 2024 is requested for the revised tariff sheet. During the review process should the staff have any questions, please do not hesitate to contact me (Sean.Alderman@talquinelectric.com 850-627-7651, ext. 1702) or Steve Shurbutt at GDS Associates (Steve.Shurbutt@gdsassociates.com; 770-799-2439).

Sincerely,

A handwritten signature in black ink that reads "Sean Alderman".
