Subject: Request for Title Change in Docket 20240100

Good Morning Dorothy,

I would like to request that we change the title for docket 20240100. The title currently states that this is an interconnection agreement, although there are elements of Unbundling and Collocation. Here's my proposed change.

Current Title: Request for approval of interconnection agreement between CenturyLink of Florida, Inc. and Stratus Networks, Inc.

Proposed Title: Request for approval of interconnection, unbundling, and collocation agreement between CenturyLink of Florida, Inc. and Stratus Networks, Inc.

Thanks,

In regards to Stratus, could you please submit an updated Cover Page to reflect this change in title?
