Please stop this base rate increase.

We as consumers are stuck and must use Teco. We do not have options as they impose rate increases every year.

Florida and Teco are pricing out average families and older citizens. We have no voice. Sure, \$20 may not seem like much to their CEO but to the average Floridian we can't take every bill, utility, tax, insurance JUST going up only \$20 each year. It easily adds to hundreds of dollars.

Shame on Teco.
