Dear Florida Public Service Commissioners,

This is ridiculous STOP PUTTING RESIDENTS LAST!!

There should be NO increase. PLEASE stop giving them whatever they want. They will keep demanding more and more

We have no choice in choosing a provider for power. The customer must be put FIRST and the provider must be forced to make the right decisions to reduce their costs. If you don't force to reduce costs, they have NO incentive to do so.

Please oppose Tampa Electric's petition for rate increase (Docket#20240026), hold more in-district hearings, and ensure that Florida families are protected in the process.

Sincerely,

Jonathan Ohman
