Docket No. 20240039-GU: Petition for approval of transportation service agreements between Peninsula Pipeline Company, Inc. and Pivotal Utility Holdings, Inc. d/b/a Florida City Gas.

Dear Mr. Teitzman:

Enclosed for filing, please find a corrected version of confidential Document No. 00977-2024. Florida City Gas asks that the enclosed document replace, in its entirety, the referenced document originally filed on February 29, 2024. It has come to the Company's attention that the original contained certain scrivener's errors. The parties to the contract agree that the correction of the error should be appropriately captured and ask that the attached document replace Document No. 00977-2024 in its entirety.

As always, thank you for your assistance in connection with this filing. If you have any questions whatsoever, please do not hesitate to let me know.

Sincerely,

Beth Keating
