Re: Docket 20240134-GU -- Petition for approval of safety, access, and facility enhancement program true-up and 2025 cost recovery factors, by Florida City Gas.

Dear Ms. Keating and Mr. Bustos:

By this letter, Commission staff requests that Florida City Gas (FCG) provide responses regarding the petition for approval of safety, access, and facility enhancement (SAFE) program true-up and 2025 cost recovery factors.

1. Please confirm that the total projected 2025 investment shown on attachment C-2, Schedule 4 is \$21,682,612 and is for the nine projects discussed on pages 4 and 5 of Attachment B to the petition (Miami SAFE 51, Miami SAFE 52, Miami SAFE 54, Brevard SAFE 8, Miami Orange 1, Miami Orange 2, Brevard Orange 1, Brevard Orange 2, and Brevard Orange 3).
2. Please provide Attachment C and C-2 to the petition, including all schedules in Excel format with formulas intact.
3. Please describe any potential impacts to the SAFE program or FCG's workload if the Commission ordered the utility to file its future annual true-up petitions on August 1 of each year, as opposed to September 1.

Please file all responses electronically no later than October 1, 2024 via the Commission's website at www.floridapsc.com by selecting the Clerk's Office tab and Electronic Filing Web Form. In addition, please email the file response to discovery-gcl@psc.state.fl.us and add this email address on the service list block associated with the PSC attorney assigned to this docket. Please contact me at pkelley@psc.state.fl.us or at 850.413.6495 if you have any questions.
