Subject: The Disincentive & Oversight Factors by the FPSC ?

Representative Hillary Cassel, State of Florida District 101

Good Day !

Senior Constituent Pertinent Feedback, & Request. <<<<<

Rep. The Disincentive & also Oversight Factors by the FPSC commencing in year 2022.

FPSC Inquiry No. 139858OC FPSC Docket No. 20210015 FPL Account No. 26582 57510

I am still in a complete disarray over the fact as to how the Five Commissioners on the Florida Public Service

Commission could possibly of granted FPL permission to monetarily penalize my FPL account every

month since the year 2022 for my Lower Consumption of Electrical Power, or KWH at my primary

residence as a retired US Navy Veteran? <<<<<

The Florida Governor Ron Desantis has been contacted, with no response from his office to date, as the FPSC Commissioners are not elected individuals, but actually appointed by the Governor.<<<<<

In the interim myself, and many other innocent individuals out there are being unfairly penalized

every month instead of being commended, and also rewarded for our due diligence, and also sacrifice ?<<<<<

How in Heavens name could the FPSC of made such a terrible mistake by allowing themselves to be

misled by both Office of Public Counsel ,and also FPL ?<<<<<

Another very important factor is that the FPSC made a abrupt decision to try to silence me by cancelling the

Docket Number that was assigned to my legitimate complaint. Why, and what is the FPSC actually trying to hide ?<<<<<

In Summation:

I would sincerely appreciate whatever your office can do to hopefully unravel this injustice against me, and also may other

unsuspecting individuals in the State of Florida, as the FPSC should be held fully accountable for their apparent oversight.<<<<<

Thank You Very Much.

Respectfully,

Michael J. Walsh
