Dear Ms. Keating:

By this letter, the Commission staff requests that Florida Public Utilities Company (FPUC) provide responses to the following data requests:

1. Referring to FPUC's response No. 4 in Staff's Eighth Data Request, regarding Enterprise Resource Planning (ERP) costs incurred to date, please state the amount excluded from AFUDC.
2. Referring to FPUC's response No. 5 in Staff's Eighth Data Request, regarding the estimated cost of \$50-\$70 million ERP system, please explain if the additional Human Resource Information System (HRIS) is included in the above estimated cost or if it would be an additional cost. If not included in the estimate, please state the additional estimated cost of HRIS.

3. Please explain if the integration of HRIS into the ERP system is exclusively to be used by FPUC or if Chesapeake Utilities Corporation will also be benefitting from HRIS.

Please file all responses electronically no later than Friday, December 20, 2024, through the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form. *In addition, please email the filed response to discovery-gcl@psc.state.fl.us.*
