CUSTOMER COMMENTS
All I see from Sunshine Water are constant rate increases. I have lived at my address above since Dec. 2015. Then, we had Sandhich utilities and my water bill was \$35-\$50 a month. Now it is, with Sunshine, \$120-\$150/mo. This is outrageous, in my opinion. I think someone needs to take a hard look at their salary structure, benefits, etc. as compared to private corps. They should also not pass the \$20 mil cost for water replacement to us. If there are now digital they can offset costs by staff reduction. I am 74 on Social Security - these costs are too much!!!
