Complaint: Other Complaints against Tampa Electric Company  
Details:

I'm complaining about The proposed rate hike yet again imposed on citizens of this state. We are already overcharged and TECO has not done a good job of managing the funds they receive. We the citizens should not be on the hook for their mismanagement and over-spending on projects that don't directly benefit it's consumers.

Please do not allow TECO to gouge us consumers again, and instead force them to do better. An even better option is to mandate a rate decrease!
