Staff's First Data Request

Re: Docket No. 20240121-WU - Application for Grandfather certificate to operate water utility in Columbia County by Consolidated Water Works, Inc.

Dear Ms. Boyd:

1. The Utility's application indicates that its current rates that were established by the Columbia County Board of Commissioner's consumer price index (CPI) on March 21, 2024. However, staff's review for authorization of rates does not include the change in rates. Order Resolution Number 2024R-05, establishes the 2024 price index adopted by Columbia County from Florida Public Service Commission which yielded a 3.24% increase in rates. Staff is unable to determine the utility's rates at the time of its increase. Please provide customer bills which support water rates before the 2024 price index increase and afterwards.
2. Please provide the Utility's average consumption.

Please file all responses electronically no later than March 19, 2025, to the Commission's website at www.floridapsc.com, by selecting the Clerk's Office and Electronic Web Form. Should you have any questions, please feel free to contact me at (850) 413-6435 or email me at tbethea@psc.state.fl.us.

Sincerely,
