Dear Commissioners
Re: Docket No. 20250011-EL

I am writing to urge you to please reject the rate hike by FP & L. This rate hike is too high, especially for the economically disadvantaged in this area. This hike will add onto an already dismal economic situation.

Also, there must be hearings in this district concerning the rate hikes. I have thought for a long time that there must be competition for electric service in this area to provide good, economical service to the customers.

Thank you.
