Good afternoon,

I live at 17 Palm Dr. Please deny the application for sewers on our island. We live on the island part time. Most residents on our island are part time. Our septic is rarely used. Also, it is only a couple of years old. Our fencing and landscaping cost thousands of dollars. This will be torn apart. This project will also cause a great inconvenience for the ferry and traffic on the island. I also have little faith that the job will get done properly and in a timely manner. Please refuse this permit

Thank you, Lilly Onufрак
