Subject: DENY EU APPLICATION - RE. Docket #20240032-SU

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Please deny the EU application to dig up our island and put in a sewer system. We believe the results of installing a central sewage system will not outweigh the consequences, as well as affecting all of the owners on the island financially.

Thank you for considering what I feel.

Best Regards,

Jennifer Vinci
