To our Governor, The Honorable Ron Desantis.

We write to you out of frustration from abuse by the above.

Should we Octogenarian Republican Americans, Suffer after a lifetime of hard work , honesty and devoted Patriots loose, lose our home because of living on a fixed income; While our Taxes, continually rise annually.

While the Insurance Companies continually raise our rates indiscriminately, as they get richer on our sweat.

While the Corrupt Duke Energy doubles & triples our rates even after we opted to go Solar with the Company Sunnova ?

My Wife & I have worked all our lives and raised a family by working two and three jobs each.

Where is our representation ? Who is going to protect us from these overinflated bills ?

We believe there is corruption in these entities ,and it doesn't surprise us after what our Great Present , Donald J Trump 45 47 ,has disclosed with Elon Musk & administration, Through DOGE.

There must be an investigation by higher authority; something must be done to protect us and those like us.

No one is above the law, and we should not suffer the loss of our golden years because of anyone's malpractice of the law, or otherwise.

When we inquire to the entities above , it falls on deaf ears, and referred to a phone that doesn't answer.

What goes around comes around.

Who is going to look into this for us ?

Good Luck in your future endeavors,
And God Bless
