COMPLAINT INFORMATION

Complaint: Delay in Service against Florida Power & Light Company
Details:

Your website states: "The Florida Public Service Commission is committed to making sure that Florida's consumers receive some of their most essential services — electric, natural gas, telephone, water, and wastewater — in a safe, reasonable, and reliable manner." You need to add "Affordable & Fare". The latest Teco Storm Surcharge is neither one of those to items. You need to let DOGE check those numbers that TECO submits as spent on storms for "Administrative Waste".
