Petition for Determination of Need for  
DeLand West – Dona Vista Transmission

DOCKET NO. 20250078-EI

Dated: June 23, 2025

**DUKE ENERGY FLORIDA, LLC’S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Duke Energy Florida, LLC (“DEF” or “Company”), pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), submits this Request for Confidential Classification for certain documents and information contained in its response to Staff’s First Set of Interrogatories (Nos. 1-5). In support of this Request, DEF states:

1. Information contained in DEF’s Response to Staff’s First Set of Interrogatories (Nos. 1-5), specifically questions 3 and 4, contain information that is “confidential proprietary business information” under Section 366.093(3), Florida Statutes.

2. The following exhibits are included with this request:

(a) Sealed Composite Exhibit A is a package containing unredacted copies of all the documents for which DEF seeks confidential treatment. Composite Exhibit A is being submitted separately in a sealed envelope labeled “CONFIDENTIAL.” In the unredacted versions, the information asserted to be confidential is highlighted in yellow.

(b) Composite Exhibit B is a package containing two copies of redacted versions of the documents for which the Company requests confidential classification. The specific information for which confidential treatment is requested has been blocked out by opaque marker or other means.

(c) Exhibit C is a table which identifies by page and line the information for which DEF seeks confidential classification and the specific statutory bases for seeking confidential treatment.

3. As indicated in Exhibit C, the information for which DEF requests confidential classification is “proprietary confidential business information” within the meaning of Section 366.093(3), F.S. Specifically, DEF’s Response to Staff’s First Set of Interrogatories, Questions 3 and 4, relates to security measures, systems or procedures, the disclosure of which would impair competitive business of Duke Energy and its affiliates. See § 366.093(3)(c), F.S.; Affidavit of Dave Rahman at ¶ 4. Accordingly, such information constitutes “proprietary confidential business information” which is exempt from disclosure under the Public Records Act pursuant to Section 366.093(1), F.S.

4. The information identified as Exhibit “A” is intended to be and is treated as confidential by the Company. *See* Affidavit of Dave Rahman at ¶ 6. The information has not been disclosed to the public, and the Company has treated and continues to treat the information at issue as confidential. *See* Affidavit of Dave Rahman at ¶ 5.

5. DEF requests that the information identified in Exhibit A be classified as “proprietary confidential business information” within the meaning of section 366.093(3), F.S., that the information remain confidential for a period of at least 18 months as provided in section 366.093(4) F.S., and that the information be returned as soon as it is no longer necessary for the Commission to conduct its business.

WHEREFORE, for the foregoing reasons, DEF respectfully requests that this Request for Confidential Classification be granted.

RESPECTFULLY SUBMITTED this 23<sup>rd</sup> day of June, 2025.
