COMPLAINT INFORMATION

Complaint: Other Complaints against Florida Power & Light Company
Details:

Florida power and light is GREEDY!!'m on a limited income. I am beginning to fall behind in other areas because my electricity is getting more expensive with the less i use. The rates need decreasing not increasing. We need competition in the area. We don't need commercials on TV promoting THE ONLY PROVIDER OF ELECTRICITY! This is getting outrageous and very insulting to be wasting costumer money in such a way. It's deplorable.
