RE: Docket No. 20250052-WS – Application for increase in water and wastewater rates in Brevard, Citrus, Duval, Highlands, Marion, and Volusia Counties by CSWR-Florida Utility Operating Company..

Dear Counsel:

By this letter, the Commission staff requests that CSWR-Florida Utility Operating Company (CSWR) provide responses to the following data requests:

1. Per MFR B-3 of the 2025 interim filing and the supplemental annualization work papers provided via e-mail on July 17, 2025, Tymber Creek imputed months of data based on annualizing expenses and revenues for months the Utility was not under CSWR's ownership. The following questions relate to this adjustment.
  - a. Please provide actual expenses and revenues for the months under the former owner to reflect a full 12 months of historical data.
  - b. If CSWR is unable to provide this data, please justify the inclusion of the imputed months based on the prescriptive nature of interim, as prescribed by Statute 367.082(5)(b) and Rule 25-30.437(2)(d), Florida Administrative Code, which requires a historical basis for the interim request.
