RE: Docket No. 20240114-WU - Application for grandfather certificate to operate water utility in Citrus County by Hash Utilities, LLC. (Dunnellon Hills Water System)

Order No. PSC-2025-0180-PAA-WU, issued May 30, 2025, ordered that this docket shall be closed administratively upon staff's verification and approval that Hash Utilities, LLC (Utility) had filed revised tariff sheets reflecting the Commission-approved charges and a proposed customer notice. The revised tariff sheets and an adequate customer notice were provided. In addition, the Utility confirmed by affidavit that it sent the customer notice to customers.

Staff determined that the Utility demonstrated compliance with Order No. PSC-2025-0180-PAA-WU and thus the revised tariff sheets and proposed customer notice were administratively approved by staff. There being no remaining items to address, staff requests that this docket be closed administratively.
