RE: Docket No. 20240108-SU – Application for increase in wastewater rates in Monroe County by K W Resort Utilities, Corp.

Dear Mr. Friedman:

By this letter, the Commission staff requests that KW Resort Utilities, Corp. (KWRU) provide responses to the following data requests:

1. Has KWRU collected any Allowance for Funds Prudently Invested (AFPI) charges from customers that have not been connected to the utility's system?
2. Is Wastewater Tariff Sheet No. 18.1, whose effective date is August 15, 2018, the only KWRU tariff sheet that addresses AFPI?
3. Does KWRU agree that Rule 25-30.434(3)(d) F.A.C., requires that the utility cease collection of the AFPI charge when a wastewater facility plant is found to be 100% used and useful?
4. Given the recent decision by the Commission finding KWRU's wastewater facility to be 100% used and useful, does KWRU agree that KWRU's Wastewater Tariff Sheet No. 18.1 should be removed? If yes, please provide a revised tariff.
