1 P R O C E E D I N G S

2 CHAIRMAN LA ROSA: Let's move to Item No. 7,  
3 and Ms. McClelland, you are recognized.

4 MS. McCLELLAND: Good morning, Commissioners.  
5 This is Kate McClelland with Commission staff.

6 Item No. 7 is a petition by Peoples Gas, or  
7 PGS, for approval to revise tariffs associated with  
8 its swing service rider, individual transportation  
9 service, or ITC rate class, and off-system service,  
10 or OSS, sharing mechanism.

11 PGS is seeking to modify the calculation of  
12 supply costs, storage costs and weighted cost of  
13 capacity to more accurately reflect actual costs  
14 included in the swing service rider. The proposed  
15 modifications to the ITS rider would raise the  
16 threshold to 500,000 therms of consumption per year  
17 and transfer the customers below the threshold to  
18 the natural choice transportation service rider.  
19 ITS customers would also be required to take 25  
20 percent of their daily capacity release requirement  
21 from PGS.

22 Finally, the company has proposed to modify  
23 its OSS sharing mechanism. Currently, 75 percent  
24 of OSS net revenue is booked to the PGA, while 25  
25 percent of revenue is retained by the utility above

1           the line. The utility is seeking to split the OSS  
2           net revenue evenly between the PGA and retained  
3           revenue.

4           Staff has reviewed the proposed modifications  
5           and believes that they are designed to improve the  
6           allocation of costs between transportation and PGA  
7           customers when taken as a whole. Staff recommends  
8           that the Commission should approve the proposed  
9           tariff modifications.

10          Thank you.

11          CHAIRMAN LA ROSA: Thank you.

12          Hearing a summary, Commissioners, are there  
13          any questions or discussions on this item, Item No.  
14          7?

15          Seeing none, open for a motion.

16          COMMISSIONER CLARK: Move approval of the  
17          item, Mr. Chairman.

18          COMMISSIONER GRAHAM: Second.

19          CHAIRMAN LA ROSA: Hearing a motion and  
20          hearing a second.

21          All those in favor signify by saying yay.

22          (Chorus of yays.)

23          CHAIRMAN LA ROSA: Yay.

24          Opposed no?

25          (No response.)
