Re: Environmental Cost Recovery Clause
FPSC Docket No. 20250007-EI

Dear Mr. Teitzman:

Attached for filing in the above docket, on behalf of Tampa Electric Company, is the Petition for approval of the company's environmental cost recovery true-up and the cost recovery factors proposed for use during the period January 2026 through December 2026.

Thank you for your assistance in connection with this matter.

Sincerely,

A handwritten signature in blue ink that reads "Malcolm N. Means".

ATTORNEY

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Environmental Cost)
Recovery Clause.)
_____)

DOCKET NO. 20250007-EI

FILED: August 25, 2025

PETITION OF TAMPA ELECTRIC COMPANY

Tampa Electric Company ("Tampa Electric" or "the company"), hereby petitions the Commission for approval of the company's environmental cost recovery true-up and the cost recovery factors proposed for use during the period January 2026 through December 2026, and in support thereof, says:

Environmental Cost Recovery

1. Tampa Electric's final true-up amount for the period January 2024 through December 2024 is an over-recovery of \$2,597,551. [See Exhibit No. ZDJ-1, Document No. 1 (Form 42-1A).]

2. Tampa Electric projects an actual/estimated true-up amount for the January 2025 through December 2025 period, which is based on actual data for the period January 1, 2025, through June 30, 2025, and revised estimates for the period July 1, 2025, through December 31, 2025, to be an over-recovery of \$467,965. [See Exhibit No. ZDJ-2, Document No. 1 (Form 42-1E).]

3. The company's projected environmental cost recovery amount for the period January 1, 2026, through December 31, 2026, including true-up amounts and adjusted for taxes, is \$16,377,715, utilizing the rate design and cost allocation as put forth in Docket No. 20240026-EI. When spread over projected kilowatt hour sales for the period January 1, 2026, through December 31, 2026, the average environmental cost recovery factor for the new period is 0.079 cents per

kWh after application of factors which adjust for variations in line losses. [See Exhibit No. ZDJ-3, Document No. 7 (Form 42-7P).]

4. The accompanying Prepared Direct Testimony and Exhibits of Byron T. Burrows and Zel D. Jones-Phillips present:

(a) A description of each of Tampa Electric's environmental compliance actions for which cost recovery is sought; and

(b) The costs associated with each environmental compliance action.

5. For reasons more fully detailed in the Prepared Direct Testimony of witness Zel D. Jones-Phillips, the environmental compliance costs sought to be approved for cost recovery proposed in this petition are consistent with the provisions of Section 366.8255, Florida Statutes, and with prior rulings by the Commission with respect to environmental compliance cost recovery for Tampa Electric and other investor-owned utilities.

WHEREFORE, Tampa Electric Company requests this Commission's approval of the company's prior period environmental cost recovery true-up calculations and projected environmental cost recovery charges to be collected during the period January 2026 through December 2026.

DATED this 25th day of August 2025.

Respectfully submitted,

J. JEFFRY WAHLEN
