To whom it may concern,

My name is Floyd Roberts, owner of the condo in the Aspenwood/Grenelefe community at 77 Aspen Drive, Haines City, FL 33844. I moved here from New Jersey in May of this year, and I love this beautiful community. However, being that I am almost 82 years old, and I am on a fixed income, I must write to you to say that I strongly oppose the proposed water and sewer rate increase in Grenelefe because it will cause a financial hardship on me, as I am sure it will do for other condo owners in this community, especially due to the fact that, these days, several people are trying to make ends meet simply to get the basic necessities. I appreciate your thoughtful consideration of the effect that such a high increase will have on the community, and request that you reconsider your plans. Thank you for taking the time to read my message.

Kind regards,

Floyd Roberts
