DOCKET NO. 20250001-EI
ORDER NO. PSC-2025-0348-PCO-EI
ISSUED: September 15, 2025

ORDER GRANTING SOUTHERN ALLIANCE FOR CLEAN ENERGY'S
MOTION FOR EXTENSION OF TIME TO FILE TESTIMONY AND EXHIBITS

The Southern Alliance for Clean Energy (SACE) was granted intervention in this matter on September 4, 2025, by Order No. PSC-2025-0327-PCO-EI. On September 11, 2025, SACE filed a motion for an extension of time to file its testimony and exhibits in this docket. Such testimony is currently due on September 12, 2025, as established by the Order Establishing Procedure, Order No. PSC-2025-0052-PCO-EI, issued February 10, 2025. Although intervenors take the case as they find it, SACE contends that its time to prepare testimony and exhibits will be truncated if its motion is not granted. SACE asks that it be given an opportunity to provide forward-looking recommendations regarding resource diversification, and the benefits of fuel and portfolio diversity in lowering overall fuel costs and risk to customers from fuel price volatility, particularly from gas prices. SACE represents that Duke Energy Florida, LLC, Florida Power & Light Company, and Tampa Electric Company do not object to the extension, and Florida Public Utilities Company, the Office of Public Counsel, White Springs Agricultural Chemicals Inc. d/b/a PCS Phosphate – White Springs, and Nucor Steel Florida, Inc. have no position.

Upon consideration, the motion for extension of time is reasonable and does not appear to prejudice any party, and is therefore granted. The dates established by Order No. PSC-2025-0052-PCO-EI shall be revised as follows:

	<u>Current Due Date</u>	<u>Extended Due Date</u>
SACE testimony and exhibits	September 12, 2025	September 16, 2025

Based upon the foregoing, it is

ORDERED by Commissioner Gabriella Passidomo Smith as Prehearing Officer, that the Motion for Extension of Time filed by the Southern Alliance for Clean Energy is granted. It is further

ORDERED that the dates in Order No. PSC-2025-0052-PCO-EI shall be revised as indicated above. It is further

ORDERED that all other provisions of Order No. PSC-2025-0052-PCO-EI remain in effect, and they, and the provisions of this Order, shall govern this proceeding unless modified by the Commission.

By ORDER of Commissioner Gabriella Passidomo Smith, as Prehearing Officer, this 15th day of September, 2025.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy.
