Subject: money increase

Florid Power & Light makes enough profit for customer's bills that they must to pay or all electricity gets turned off, even tho they are unable to pay the bill because of unemployment, health or other reasonable issue!!! The PROFIT that Florida Power & light receives EACH MONTH is the reason that we should NOT have to pay MORE money to FPL !!!!!!! FPL cries POOR MOUTH, but with that type of monthly profit, that profit should go to less money charged on our monthly utility bill~~ As out Governor please do not FPL to increase our utility bills!!!!!!!!!!

Thank you for acting upon this.....

Sincelely, Janice Schrader
FPL customer
