Subject: Reject the FPL proposed settlement Docket #20250011

Dear Florida Public Service Commissioners,

I have only lived in Florida for two years, but in that time, I have seen a significant rise in the cost of living for my family. I have had to take on extra work to make ends meet each month. I strongly oppose any increase to the residents of Florida and reject the corporate world benefitting off of ordinary people like me and my family.

I am a residential customer of Florida Power & Light (FPL) and a member of AARP, and I oppose FPL's attempts to raise its rates even higher than they already are. I opposed the increases FPL proposed in February, and I oppose the nearly identical increases FPL has now put forward with its corporate partners in a so-called "Settlement" negotiated in secret. These rates remain excessive and unfair to residential customers.

FPL's claim that this "Settlement" represents residential customers like me and my family is

false. No one from FPL ever consulted us, asked for our input, or received our consent to speak on our behalf. Instead, FPL chose to ignore the voices of ordinary Floridians who have already expressed strong opposition to these increases.

My family and I call on the Public Service Commission to reject these secret deals cut with large industrial and commercial interests and to hold FPL accountable.

Enough is enough — protect residential customers from corporate greed and unjustified rate hikes.

Thank you for your time and consideration.

Sincerely,

Jami Utter 317 Grand Reserve Dr Bunnell FL, 32110-3406 jami@utterprecision.com
