Dear Florida Public Service Commissioners,

I am a residential customer of Florida Power & Light (FPL) and a member of AARP. I oppose FPL's attempts to raise its rates even higher than they already are. I opposed the increases FPL proposed in February, and I oppose the nearly identical increases FPL has now put forward with its corporate partners in a "Settlement" negotiated without transparency. These rates remain excessive and unfair to residential customers.

FPL's claim that this "Settlement" represents residential customers like me is false. No one from FPL has ever consulted with me or asked for my input. They did not receive my consent to speak on my behalf. Instead, FPL chose to ignore the voices of ordinary Floridians who have already expressed strong opposition to these increases.

I call on the Public Service Commission to reject these agreements cut with large industrial

and commercial interests and hold FPL accountable.

It is time to protect residential customers from corporate greed and unjustified rate hikes.

Thank you for your time and consideration.

Sincerely,

Judy Levy
