Dear Florida Public Service Commissioners,

I am a residential customer of Florida Power & Light (FPL) and am President of my Condo Association. I oppose FPL's attempts to raise its rates even higher than they already are. I oppose the increases FPL has now put forward with its corporate partners in a so-called "Settlement" negotiated in secret.

FPL's claim that this "Settlement" represents residential customers like me and my family is false. No one from FPL ever consulted us, asked for our input, or received our consent to speak on our behalf. Instead, FPL chose to ignore the voices of ordinary Floridians who have already expressed strong opposition to these increases.

Enough is enough — This negatively impacts the many seniors on fixed incomes that live in and around my community who should be protected from these unjustified rate hikes.

I call on the Public Service Commission to reject these secret deals cut with large industrial and commercial interests and to hold FPL accountable.

Thank you for your time and consideration.

Sincerely,

Faith Padgett
