Florida Power and light and Next energy

Message

This company is getting very pricey and alot of our youth and talent are moving from Florida. Is Florida another California?

We have a very ineffective HOA leadership in vision one and litigation is the only solution? I am very glad that DOGE is being done on All the COUNTIES in Florida. Especially, Palm Beach county. Next Energy is hiring HB2 visas for workers from India.

palm Beach excessive spending and up to 32 students in the classrooms. Teachers leaving Florida for affordable living.
