Dear M. Walsh,

As Americans across the country receive notice of huge health care premium hike notifications, I'm fighting to resolve this Republican healthcare crisis.

Democrats have been clear: We are ready to negotiate a bipartisan agreement that reopens government and lowers health care costs, including extending health care tax credits to stop these massive premium increases.

If you received a notice of healthcare prices going up, share it with my office by texting us at 954-866-9444. You can call my Washington office at 202-225-7931, or in Sunrise at 954-845-1179. Or just reply directly to this email.

Thank you for helping me lift up your stories and spreading the word about this important issue.

Sincerely,

A handwritten signature in black ink that reads "Debbie".

Member of Congress
