COMPLAINT INFORMATION

Complaint: Other Complaints against Sunshine Water Services Company d/b/a Sunshine Wat
Details:

Docket No. 20250137-SU

Within the last year, Sunshine Water requested a rate increase which was not only approved, but approved at a % rate increase above what was requested. Within the same calendar year, now, they are requesting another rate increase? With the exception maybe of only Gibson Place, Sunshine's wastewater rates are already the most expensive in Lake County. I believe Southlake Utilities services some nearby neighborhoods, and their base charge for wastewater is 40% of Sunshine's, and their per gallon wastewater charge is 25% of Sunshine's... Why such a big discrepancy, I wonder... You need to deny this rate increase, and look into how Sunshine is spending this money.
