Re: *Joint Petition of Tampa Electric Company and Duke Energy Florida, LLC, for Approval of a Territorial Agreement in Hillsborough, Pinellas, Pasco, and Polk Counties; Docket No. _____*

Dear Mr. Teitzman:

Please file enclosed for electronic filing, the Joint Petition of Tampa Electric Company (“Tampa Electric”) and Duke Energy Florida, LLC (“DEF”), for Approval of a Territorial Agreement in Hillsborough, Pinellas, Pasco, and Polk Counties with the supporting Attachment 1 which includes Exhibits A-D.

Thank you for your assistance in this matter. Please feel free to call me at (850) 521-1425 should you have any questions concerning this filing.

Respectfully,

/s/ Stephanie A. Cuello

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Joint Petition of Tampa Electric
Company and Duke Energy Florida, LLC
for approval of a Territorial Agreement in
Hillsborough, Pinellas, Pasco, and Polk
Counties

DOCKET NO.

FILED: January 7, 2026

JOINT PETITION FOR APPROVAL OF TERRITORIAL AGREEMENT

1. Tampa Electric Company (“Tampa Electric”) and Duke Energy Florida, LLC (“DEF”) (collectively, the “Joint Petitioners”), pursuant to Section 366.04(2)(d), Florida Statutes, and Rules 25-6.0440 (the “Territorial Agreement Rule”) and 28-106.201, Florida Administrative Code, jointly petition the Florida Public Service Commission (the “Commission”) for approval of a territorial agreement (the “Agreement”) in Hillsborough, Pasco, Pinellas, and Polk counties, Florida. In support hereof, the Joint Petitioners represent as follows: the Joint Petitioners are electric utilities organized under the laws of Florida and are subject to the regulatory jurisdiction of the Commission pursuant to Section 366.04(2), Florida Statutes.

2. Tampa Electric’s principal offices are located in Tampa, Florida. DEF’s principal offices are located in St. Petersburg, Florida.

3. For purposes of this Joint Petition, the contact information of the Joint Petitioners shall be that of their respective undersigned attorneys, and all pleadings, notices, and other communications in this matter should be served on the Joint Petitioners’ undersigned attorneys.

4. To best avoid duplication of services and wasteful expenditures, as well as to best protect the public health and safety from potentially hazardous conditions, the

Joint Petitioners have negotiated this Agreement delineating their respective service boundaries in Hillsborough, Pasco, Pinellas, and Polk counties, Florida. The Agreement is attached hereto as Attachment 1 along with accompanying maps and written descriptions delineating the territorial boundaries to which the Joint Petitioners have agreed. The Joint Petitioners are proposing modifications to the territorial boundaries in each county that is part of this proposed Agreement. The modified territorial boundaries are depicted in the Territorial Boundary maps attached in Exhibit A of the Agreement and a written description of the territorial boundaries is included in Exhibit C of the Agreement as required by paragraph (1)(a) of the Territorial Agreement Rule. This proposed Agreement has an initial term of twenty (20) years from the date that a Commission Order approving the Agreement is no longer subject to judicial review. The Agreement will remain in effect after the initial twenty (20) year term unless either Joint Petitioner provides written notice of termination at least twelve (12) months prior to the expiration of the initial term or twelve (12) months prior to termination if after the initial term.

5. In this Agreement, no customers are being transferred from Tampa Electric to DEF, and two (2) residential customers are being transferred from DEF to Tampa Electric. In accordance with paragraph (1)(d) of the Territorial Agreement Rule, the Joint Petitioners sent affected customers written notification of this proposed Agreement prior to the filing of this Joint Petition. Sample copies of the letters providing such notification are attached as Exhibit D. As of the time of filing, no negative responses to the notification letters have been received. A summary of the responses ultimately received, if any, will be provided to the Commission by a supplemental filing.

6. The Joint Petitioners intend to complete all transfers of Extra-Territorial

Customers within twelve (12) months of the Effective Date of the Agreement.

7. Paragraphs (1)(a)-(f) of the Territorial Agreement Rule set out the required contents of a territorial agreement submission, including:

- a. A map and a written description of the area,
- b. The terms and conditions pertaining to implementation of the agreement, and any other terms and conditions pertaining to the agreement,
- c. The number and class of customers to be transferred,
- d. Assurance that the affected customers have been contacted and the difference in rates explained,
- e. Information with respect to the degree of acceptance by affected customers, and
- f. An official Florida Department of Transportation ("DOT") General Highway County map for each affected county depicting boundary lines established by the territorial agreement.

8. The proposed Agreement contains each of the elements required by paragraphs 1(a)-(f) of the Territorial Agreement Rule, including:

- a. The service area boundary maps and written description of the area required by paragraph (1)(a) of the Territorial Agreement Rule are included in Exhibits A and C to the Agreement, respectively.
- b. The terms and conditions for implementation of the agreement required by paragraph (1)(b) of the Territorial Agreement Rule are included on pages 1-13 of the Agreement.

- c. The information regarding the number and class of customers to be transferred required by paragraph (1)(c) of the Territorial Agreement Rule is included in Exhibit B to the Agreement, including a transfer of two residential customers residing within the same street and zip code.
- d. The Parties provided the customer notices required by paragraph (1)(d) of the Territorial Agreement Rule by mailing notices to all Extra-Territorial Customers on 11/10/2025 in the form attached as Exhibit D to the Agreement. The letters included information about the anticipated reduction in their current electric utility rates following completion of the transfer.
- e. Paragraph (1)(e) of the Territorial Agreement Rule requires the Parties to provide information regarding the degree of acceptance by the affected customers. As of the date of this filing, the Parties have not received any feedback regarding the transfer.
- f. The official Florida DOT General Highway County Map depicting the Parties' service area boundary required by paragraph (1)(f) of the Territorial Agreement Rule is included in Exhibit A.

9. Paragraphs (2)(a)-(d) of the Territorial Agreement Rule set out four factors the Commission may consider in determining whether to approve a territorial agreement, including:

- a. The reasonableness of the purchase price of any facilities being transferred,
- b. The reasonable likelihood that the agreement, in and of itself, will not cause a decrease in reliability of electrical service to the existing or

future ratepayers of any utility party to the agreement,

- c. The reasonable likelihood that the agreement will eliminate existing or potential uneconomic duplication of facilities, and
- d. Any other factor the Commission finds relevant in reaching a determination that the territorial agreement is in the public interest.

10. Consideration of each of the factors listed in paragraphs (2)(a)-(d) of the Territorial Agreement Rule weighs in favor of Commission approval of the Agreement:

- a. The purchase price for transferred facilities is reasonable. Section 3.4 of the Agreement sets out the compensation formula for transferred facilities.
- b. The Agreement, in and of itself, will not cause a decrease in the reliability of electrical service for existing or future customers of either Tampa Electric or DEF. Tampa Electric has adequate capacity to serve the customers to be transferred as a part of this Agreement.
- c. The Agreement will eliminate existing and potential uneconomic duplication of facilities by clearly defining the Parties' respective service areas and establishing a method for determining which Party will serve a new customer when the territorial boundary line crosses that customer's property, as set out in Section 2.4 of the Agreement.
- d. The Parties also believe the Commission should consider the fact that the Parties negotiated the Agreement with the goal of finding a safe, economic, and efficient method of providing electrical service to the Parties' respective customers.

11. The Joint Petitioners are unaware of any disputed issues of material fact pertaining to this Petition.

WHEREFORE, Tampa Electric and DEF respectfully request that the Commission grant this Joint Petition and approve the Agreement.

ATTACHMENT 1

TERRITORIAL AGREEMENT

TAMPA ELECTRIC COMPANY

AND

DUKE ENERGY FLORIDA, LLC

HILLSBOROUGH, PASCO,

PINELLAS AND POLK COUNTIES

TERRITORIAL AGREEMENT

Section 0.1: This Territorial Agreement ("Agreement"), made and entered into this
____6____ day of ____January____, 2026, by and between Duke Energy Florida, LLC d/b/a Duke
Energy ("DEF") and Tampa Electric Company ("Tampa Electric"), each of which are
corporations organized and existing under the laws of the State of Florida and
electric utilities as defined in, and whose retail service territories are subject to regulation
pursuant to, Chapter 366, Florida Statutes, and which corporations are herein
collectively, the "Parties" and individually, a "Party," enter into this Agreement;

WITNESSETH:

Section 0.2: WHEREAS, each of the Parties is authorized, empowered and obligated by
its corporate charters and the laws of the State of Florida to furnish retail electric service to
Persons desiring to use such service within their respective areas of service; and

Section 0.3: WHEREAS, each of the Parties is authorized by Chapter 366, Florida
Statutes, to furnish retail electric service to customers in areas of Hillsborough, Pasco, Pinellas,
and Polk counties, Florida; and

Section 0.4: WHEREAS, the Parties previously entered into a Territorial Agreement
delineating their respective service territories in Hillsborough, Pasco, Pinellas, and Polk
counties which was approved by the Florida Public Service Commission (the "Commission") in
Docket No. 910085-EL, issued May 29, 1991 in Order 24593, (the "Expired Agreement"). The
Expired Agreement had a fifteen (15) year term through May 29, 2006, with an automatic
renewal period of fifteen (15) years; and

Section 0.5: WHEREAS, the Parties desire to enter into a new Agreement to better serve
their interests and the interests of their customers in realizing the planning, operational, and

customer service benefits provided to their respective electric systems by a properly constructed, approved, and supervised territorial agreement; and

Section 0.6: WHEREAS, the respective retail service areas of the Parties are contiguous, with the result that, absent the establishment of a territorial agreement defining the Party's respective service territories, duplication of service facilities would be likely to occur which may result in needless and wasteful expenditures and may create hazardous situations, both detrimental to the public interest; and

Section 0.7: WHEREAS, the Commission is empowered by the Florida legislature, pursuant to Section 366.04(2)(d), Florida Statutes, to approve and enforce territorial agreements between utilities, and the Commission, as a matter of long-standing regulatory policy, has encouraged retail territorial agreements between electric utilities subject to its jurisdiction based on its findings that such agreements, when properly established and administered by the Parties and actively supervised by the Commission, serve the public interest.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, which shall be construed as being interdependent, the Parties hereby agree as follows:

ARTICLE I

DEFINITIONS

Section 1.1: Territorial Boundary Line(s). As used herein, the term "Territorial Boundary Line(s)" shall mean the boundary lines which circumscribe the geographic areas as depicted on the maps attached hereto as Exhibit A which delineate and differentiate the Parties' respective Territorial Areas in Hillsborough, Pasco, Pinellas, and Polk counties, Florida. The

portions of the counties which are not subject to this agreement are marked on the maps as "Not Part of this Agreement." Additionally, as required pursuant to Rule 25-6.0440(1)(a), Florida Administrative Code, a written description of the territorial areas served is attached as Exhibit C. If there are any discrepancies between Exhibit A and Exhibit C, then the territorial boundary maps in Exhibit A shall prevail.

Section 1.2: Tampa Electric Territorial Area. As used herein, the term "Tampa Electric Territorial Area" shall mean the geographic areas in Hillsborough, Pasco, Pinellas, and Polk counties, Florida, allocated to Tampa Electric as its retail service territory and labeled as "Tampa Electric Company" on the maps contained in Exhibit A.

Section 1.3: DEF Territorial Area. As used herein, the term "DEF Territorial Area" shall mean the geographic area in Hillsborough, Pasco, Pinellas, and Polk counties, Florida, allocated to DEF as its retail service territory and labeled as "Duke Energy Florida" on the maps contained in Exhibit A.

Section 1.4: Point of Use. As used herein, the term "Point of Use" shall mean the location within the Territorial Area of a Party where a customer's end-use facilities consume electricity, wherein such Party shall be entitled to provide retail electric service under this Agreement, irrespective of where the customer's point of delivery or metering is located.

Section 1.5: Person. As used herein, the term "Person" shall have the same inclusive meaning given to it in Section 1.01(3), Florida Statutes.

Section 1.6: New Customer. As used herein, the term "New Customer" shall mean a Person applying for retail electric service to either Party after the Effective Date of this Agreement at a Point of Use in the Territorial Area of either Party.

Section 1.7: Existing Customer. As used herein, the term "Existing Customer" shall mean

any Person receiving retail electric service from either Party as of the Effective Date of this Agreement.

Section 1.8: Extra-Territorial Customers. As used herein, the term “Extra-Territorial Customers” shall mean those customers served by either Party on the Effective Date of the Agreement who are located within the Territorial Area of the other Party established by such Agreement.

Section 1.9: Temporary Service Customers. As used herein, the term “Temporary Service Customers” shall mean customers who are being served under the temporary service provisions provided in Section 2.3 of this Agreement.

Section 1.10: Commission. As used herein, the term “Commission” shall mean the Florida Public Service Commission.

Section 1.11: Effective Date. As used herein, the term “Effective Date” shall mean the date on which the final Order of the Commission granting approval of this Agreement in its entirety is no longer subject to judicial review.

ARTICLE II

RETAIL ELECTRIC SERVICE

Section 2.1: Territorial Allocations. Except as otherwise specifically provided herein, during the terms of this Agreement, Tampa Electric shall have the exclusive authority to furnish retail electric service within the Tampa Electric Territorial Area, and DEF shall have the exclusive authority to furnish retail electric service in the DEF Territorial Area. The Territorial Boundary Line shall not be altered or affected by any change that may occur in the corporate limits of any municipality or county through annexation or otherwise unless such change is agreed to in writing by the Parties and approved by the Commission.

Section 2.2: Service to New Customers. DEF and Tampa Electric agree that neither Party will attempt to serve or knowingly serve any New Customer located in the territorial area of the other Party, except as specifically provided in Section 2.3 below.

Section 2.3: Temporary Service. The Parties recognize that in exceptional circumstances, economic constraints or good engineering practices may indicate that a New Customer's Point of Use either cannot or should not be immediately served by the Party in whose Territorial Area such Point of Use is located. In such instances, upon written request by the Party in whose Territorial Area the New Customer's Point of Use is located, the other Party may, in its sole discretion, agree in writing to temporarily provide service to such New Customer. Prior to the commencement of temporary service, the Party providing such service shall inform the New Customer of the temporary nature of its service and that the other Party will ultimately serve the New Customer. Such temporary service shall be discontinued upon written notice from the requesting Party of its intent and ability to provide service, and the Parties shall coordinate to minimize any inconvenience to the customer. In conjunction with such discontinuance, the Party providing temporary service hereunder shall be compensated by the requesting Party in accordance with Section 3.4 for its distribution facilities used exclusively to provide such service, which the requesting Party may elect to acquire. The requesting Party shall not be entitled to compensation for any loss of revenues for the period during which such temporary service is provided. Any temporary service expected to last for more than one year shall be jointly submitted by the Parties to the Commission for approval.

Section 2.4: Referral of Service Request. In the event that a prospective New Customer requests or applies for service from either Party to be provided to a Point of Use located in the Territorial Area of the other Party, the Party receiving the request or application shall advise the

prospective New Customer that such service is not permitted under this Agreement and shall refer the prospective New Customer to the other Party. Further, in those instances where the Territorial Boundary Line traverses the property of an individual New Customer or prospective New Customer, the Parties will determine the location of the New Customer's Point of Use, and the Party in whose service area the Point of Use is located will provide service to the New Customer.

Section 2.5: Correction of Inadvertent Service Errors. If any situation is discovered during the term of this Agreement in which either Party is inadvertently providing retail electric service to a customer's Point of Use located within the Territorial Area of the other Party, service to such customer by the other Party will be established at the earliest practical time, but in any event within twelve (12) months of the date the inadvertent service error was discovered. Until service by the other Party can be reasonably established, the inadvertent service will be deemed to be temporary service provided and governed in accordance with Section 2.3 above.

ARTICLE III

TRANSFER OF CUSTOMERS AND FACILITIES

Section 3.1: In General. It is the intent of the Parties that all customers of either Party shall be served by the Party in whose Territorial Area they are located at the earliest practicable time. Accordingly, the Parties intend to complete all transfers of the Extra-Territorial Customers within twelve (12) months of the Effective Date of the Agreement and will notify the Commission in writing if circumstances require additional time.

In accordance with Rule 25-6.0440(1)(d), Florida Administrative Code, the Parties sent the affected customers written notification of this Agreement and the transfer provisions described above. Sample copies of the letters providing such notification are attached as Exhibit D.

In the event that circumstances arise during the term of this Agreement in which the Parties agree that, based on sound economic considerations or good engineering practices, an area located in the Territorial Area of one Party would be better served if reallocated to the service territory of the other Party, the Parties shall jointly petition the Commission for approval of a modification of the Territorial Boundary line that places the area in question (the "Reallocated Area") within the Territorial Area of the other Party and transfer of the customers located in the Reallocated Area to the other Party.

Section 3.2: Transfer of Extra-Territorial Customers. The Extra-Territorial Customers currently served by DEF and subject to transfer to Tampa Electric pursuant to this Agreement are listed by the service address and/or other identifying factor in Exhibit B, attached hereto.

Section 3.3: Transfer of Related Service Facilities. In conjunction with the transfer of the Extra-Territorial Customers pursuant to Sections 3.1 and 3.2 above, the receiving Party may elect to purchase the electric distribution facilities of the transferring Party used exclusively for providing electric service to the transferred customers for an amount to be determined in accordance with Section 3.4 below.

Section 3.4: Compensation for Transferred Facilities. The receiving Party shall compensate the transferring Party for the electric distribution facilities used exclusively for providing electric service to the transferred customers in an amount based upon the replacement cost (new), less depreciation calculated on a straight-line basis over the life of the asset (facility) as determined from the transferring Party's books and records. The replacement cost shall be determined by applying a cost calculator such as the Handy Whitman index or a common engineering cost estimation methodology to the original cost, as long as both Parties apply the same estimation method.

Section 3.5: Transfer Closings. The Parties shall mutually agree on a closing date for each transfer allowing sufficient time for the Parties to identify the customers and facilities to be transferred; to determine the compensation for transferred customers and facilities; and to prepare the appropriate closing statements, assignments, and other instruments to transfer and convey the transferring Party's interest in the electric distribution facilities to the receiving Party pursuant to Section 3.3 above. At the closing, the receiving Party shall pay the transferring Party the compensation due, and the transferring Party shall execute and deliver to the receiving Party the assignments and other instruments referred to above.

ARTICLE IV

OPERATION AND MAINTENANCE

Section 4.1: Facilities to Remain. Other than as expressly provided for herein, any generating plant, transmission line, substation, distribution line, or related equipment now or herein constructed after or used by either Party in conjunction with its electric utility system, which is directly or indirectly used and useful in service to its customers by either of the Parties in its Territorial Area, shall be allowed to remain where situated and shall not be subject to removal or transfer to the other Party hereunder; provided, however, that each Party shall operate and maintain all such plants, lines, substations or facilities in such a manner as to minimize any interference with the operations of the other Party.

ARTICLE V

Section 5.1: Commission Approval. The provisions and the Parties' performance of this Agreement are subject to the regulatory authority of the Commission, and appropriate approval by the Commission of the provisions of this Agreement shall be an absolute condition precedent to the validity, enforceability, and applicability hereof. This Agreement shall have no effect whatsoever until Commission approval has been obtained, and the "Effective Date" of this Agreement will be the date on which the final Order of the Commission granting approval of this Agreement in its entirety is no longer subject to judicial review. Any proposed modification to this Agreement, shall be jointly submitted to the Commission for consideration and approval prior to becoming effective. In addition, the Parties agree to jointly petition the Commission to resolve any dispute concerning the provisions of this Agreement or the Parties performance hereunder.

Section 5.2: Liability in the Event of Disapproval. In the event approval of this Agreement pursuant to Section 5.1, hereof is not obtained, neither Party will have any cause of action against the other arising under this Agreement.

Section 5.3: Supersedes Prior Agreements. Upon the Effective Date, this Agreement shall be deemed to specifically supersede any and all prior agreements between the Parties regarding their respective retail service areas in Hillsborough, Pasco, Pinellas and Polk counties, Florida.

ARTICLE VI

DURATION

Section 6.1: Term. This Agreement shall continue and remain in effect for a period of twenty (20) years from the Effective Date. After expiration of the twenty (20) year term provided herein, this Agreement shall remain in effect thereafter unless either Party provides written notice of Termination at least (twelve) 12 months prior to the termination of the agreement as contemplated by Section 8.3.

ARTICLE VII

CONSTRUCTION OF AGREEMENT

Section 7.1: Other Electric Utilities. Nothing in this Agreement shall restrict or affect in any manner the right of either Party to establish its retail service area with respect to any other electric utility. The Parties understand that Tampa Electric or DEF may, from time to time and subject to Commission approval, enter into territorial agreements with other electric utilities that have adjacent or overlapping service areas and that, in such event, nothing herein shall be construed to prevent Tampa Electric or DEF from designating any portion of its Territorial Area under this Agreement as the service area of such other electric utility.

Section 7.2: Bulk Power for Resale. Nothing herein shall be construed to prevent either Party from providing a bulk power supply for resale purposes, as defined in the Final Judgement dated August 19, 1971, in *United States of America v. Florida Power Corporation and Tampa Electric Company*, Case No. 68-297-Civ-T, regardless of where the purchaser for resale may be located. Further, no other section or provision of this Agreement shall be construed as applying to a bulk power supply for resale purposes.

Section 7.3: Intent and Interpretation. It is hereby declared to be the purpose and intent of the Parties that this Agreement shall be interpreted and construed, among other things, to further this State's policy of actively regulating and supervising the service territories of electric utilities; supervising the planning, development, and maintenance of a coordinated electric power grid throughout Florida; avoiding uneconomic duplication of generation, transmission, and distribution facilities; and encouraging the installation and maintenance of facilities necessary to fulfill the Parties' respective obligations to serve.

ARTICLE VIII

MISCELLANEOUS

Section 8.1: Negotiations. Regardless of any other terms or conditions that may have been discussed during the negotiations leading up to the execution of this Agreement, the only terms and conditions agreed upon by the Parties are those set forth herein, and no alteration, modification, enlargement, or supplement to this Agreement shall be binding upon either of the Parties hereto unless the same shall be in writing, attached hereto, signed by both of the Parties and approved by the Commission in accordance with Section 5.1 hereof.

Section 8.2: Successors and Assigns. This Agreement shall be binding upon the Parties hereto and their respective successors and assigns. Nothing in this Agreement, expressed or implied, is intended or shall be construed, to confer upon or give to any Person other than the Parties hereto or their respective successors or assigns, any right, remedy, or claim under or by reason of this Agreement, or any provision or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of the Parties and their respective successors, and assigns.

Section 8.3: Notices. Notices and other written communications contemplated by this Agreement shall be deemed to have been given if sent by certified mail, postage prepaid, by prepaid private courier, or by confirmed facsimile transmittal, as follows:

TAMPA ELECTRIC COMPANY

DUKE ENERGY FLORIDA

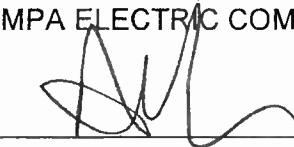

Penelope Rusk
Vice President Regulatory Affairs

TECO also serves the parcels adjacent to Hamilton Shores Drive NE, Inverness Way NE, Horseshoe Lane NE and Heritage Drive NE. DEF serves the parcels north, west and east of Herbs Road. DEF also serves the parcels adjacent to West Lake Hamilton Drive that are north of Herbs Road. DEF also serves the parcels adjacent to the east side of West Lake Hamilton Road.
48	Polk	SE	T28S, R26E	14, 15	The entire section is served by TECO. No areas are served by DEF.
49	Polk	NW	T28S, R27E	4, 5	The entire section is served by DEF. No areas are served by TECO.
49	Polk	NW	T28S, R27E	6	TECO serves one parcel north of SR 544 and one parcel north of SR 544 and adjacent to Highway 27. TECO also serves the parcels adjacent to West Lake Hamilton Drive and Willoughby Road that are north of Nash Road. TECO also serves the Ridge Career Center, and the parcels adjacent to Brenton Manor Avenue, Brenton Manor Lane, Brenton Manor Loop, B Moore Road and the north side of Hamilton Circle. DEF serves the parcels adjacent to Lucerne Park Road south of SR 544. DEF also serves the parcels south of Nash Road on West Lake Hamilton Drive.
49	Polk	NW	T28S, R27E	7, 8, 9, 16, 17, 18	The entire section is served by DEF. No areas are served by TECO. Some of these sections are irregular.

* If there are any discrepancies between Exhibit A and Exhibit B, then the territorial boundary maps in Exhibit A shall prevail.

Written Description of the Territorial Boundary Lines* - TECO & DEF**EXHIBIT B**

50	Polk	NW	T28S, R27E	1, 2, 3, 10, 11, 12, 13, 14, 15	The entire section is served by DEF. No areas are served by TECO.
51	Polk	SW	T28S, R26E	19, 20, 21, 28, 29, 30, 31, 32, 33	The entire section is served by TECO. No areas are served by DEF.
52	Polk	SE	T28S, R26E	22, 23	The entire section is served by TECO. No areas are served by DEF.
52	Polk	SE	T28S, R26E	24	DEF serves the entire section except for the parcels that are served by TECO. TECO serves the parcels adjacent to Lake Region Blvd North and Niblick Circle.
52	Polk	SE	T28S, R26E	25	The entire section is served by DEF. No areas are served by TECO.
52	Polk	SE	T28S, R26E	26, 27, 34, 35, 36	The entire section is served by TECO. No areas are served by DEF.
53	Polk	SW	T28S, R27E	19, 20, 21, 28, 29, 30	The entire section is served by DEF. No areas are served by TECO.
53	Polk	SW	T28S, R27E	31	TECO serves the western half of the section. DEF serves the eastern half of the section.
53	Polk	SW	T28S, R27E	32, 33	The entire section is served by DEF. No areas are served by TECO.
54	Polk	SW	T28S, R27E	22, 23, 24, 25, 26, 27, 34, 35, 36	The entire section is served by DEF. No areas are served by TECO.
55	Polk	SW	T28S, R27E	1, 2, 3, 10, 11, 12, 13, 14, 15	The entire section is served by TECO. No areas are served by DEF.
56	Polk	NW	T29S, R26E	4, 5, 6, 7, 8, 9, 16, 17, 18	The entire section is served by TECO. No areas are served by DEF.
57	Polk	NE	T29S, R26E	1, 2, 3, 10, 11, 12, 13, 14, 15	The entire section is served by TECO. No areas are served by DEF.
58	Polk	SW	T29S, R27E	4, 5	The entire section is served by DEF. No areas are served by TECO.
58	Polk	SW	T29S, R27E	6, 7	The entire section is served by TECO. No areas are served by DEF.

* If there are any discrepancies between Exhibit A and Exhibit B, then the territorial boundary maps in Exhibit A shall prevail.

Written Description of the Territorial Boundary Lines* - TECO & DEF

EXHIBIT B

58	Polk	SW	T29S, R27E	8	TECO serves the western half of the section and including part of Jamestown Drive that is in the western half of the eastern half of the section. DEF serves the eastern half of the section except for the areas that are served by TECO but including Jamestown Drive, Colonial Drive and Williamsburg Drive.
58	Polk	SW	T29S, R27E	9, 16	The entire section is served by DEF. No areas are served by TECO.
58	Polk	SW	T29S, R27E	17	TECO serves the western half of the section except for an area west of Conservation Way that is served by DEF. DEF serves the eastern half of the section. DEF also serves an area in the western half of the section west of Conservation Way.
58	Polk	SW	T29S, R27E	18	The entire section is served by TECO. No areas are served by DEF.
59	Polk	NE	T29S, R27E	1, 2, 3	The entire section is served by DEF. No areas are served by TECO.
59	Polk	NE	T29S, R27E	10, 11	DEF serves the entire section except for the area which is the Lake Maple Solar Plant which is served by TECO.
59	Polk	NE	T29S, R27E	12, 13, 14, 15	The entire section is served by DEF. No areas are served by TECO.
60	Polk	SE	T29S, R25E	22, 23, 24	The entire section is served by TECO. No areas are served by DEF.
60	Polk	SE	T29S, R25E	25, 26, 27	TECO serves the entire section that is Part of this Agreement. No areas are served by DEF.
60	Polk	SE	T29S, R25E	34, 35, 36	These sections are Not Part of this Agreement.
61	Polk	NE	T29S, R26E	19, 20, 21	The entire section is served by TECO. No areas are served by DEF.
61	Polk	NE	T29S, R26E	28	TECO serves the northern half of the section. TECO also serves a subdivision in the western half of the southern half of the section including Tifton Road, Adreil Avenue, Columbo Street and Gretna Lane. DEF serves the southern half of the section except for the subdivision that is served by TECO.
61	Polk	NE	T29S, R26E	29	TECO serves the northern half of the section. DEF serves the southeastern half of the southern half of the section. The southwestern half of the southern section is Not Part of this Agreement.

* If there are any discrepancies between Exhibit A and Exhibit B, then the territorial boundary maps in Exhibit A shall prevail.

Written Description of the Territorial Boundary Lines* - TECO & DEF**EXHIBIT B**

61	Polk	NE	T29S, R26E	30	TECO serves the northern half of the section. The southern half of the section is Not Part of this Agreement.
61	Polk	NE	T29S, R26E	31	This section is Not Part of this Agreement.
61	Polk	NE	T29S, R26E	32	The western half of the section is Not Part of this Agreement. The eastern half of the section is served by DEF.
61	Polk	NE	T29S, R26E	33	The entire section is served by DEF. No areas are served by TECO.
62	Polk	SE	T29S, R26E	22, 23, 24	The entire section is served by TECO. No areas are served by DEF.
62	Polk	SE	T29S, R26E	25	The entire section is served by DEF. No areas are served by TECO.
62	Polk	SE	T29S, R26E	26, 27	TECO serves the northern half of the section. DEF serves the southern half of the section.

* If there are any discrepancies between Exhibit A and Exhibit B, then the territorial boundary maps in Exhibit A shall prevail.

EXHIBIT D

SAMPLE COPY OF LETTER PROVIDING NOTIFICATION OF THE TERRITORIAL AGREEMENT TO CUSTOMERS SUBJECT TO TRANSFER

_____, 2025

***** Road

Winter Haven, FL, 33880

Duke Energy Account No. *****

Dear Customer,

To ensure that electric utilities in Florida, such as Duke Energy Florida (DEF), are able to provide reliable and economical electric service to their customers, utilities enter into agreements with one another establishing the geographical areas in which each utility is the exclusive provider of electric service.

In an effort to efficiently serve the customers in your area, we will soon enter into a territorial agreement with Tampa Electric that will revise some of the service area boundaries between the utilities and enable each utility to serve its customers more reliably and economically. The new agreement must be approved by the Florida Public Service Commission (FPSC) before it can become effective, and you will have the opportunity prior to that approval to provide your comments to FPSC. If you wish, we will provide the pertinent contact information for the FPSC when the territorial agreement has been filed and docketed.

If approved by the FPSC, the terms of the territorial agreement call on Tampa Electric to provide your electric service and your electrical account would be transferred. You will not need to do anything to initiate this transfer as DEF and Tampa Electric will handle all of the arrangements on your behalf.

To provide you with a rate comparison, in October 2025, the residential rate of Tampa Electric for 1,000 kilowatt-hours (kWh) is \$168.01. For the same month, the residential rate of Duke Energy for 1,000 kWh is \$179.29. The rates of both utilities are subject to periodic change and may be raised or lowered in the future.

Please contact me if you have any questions or concerns about the proposed transfer of your service to Tampa Electric, or if you would like information about contacting the FPSC. You can reach me by phone at 727-820-4712.

Sincerely,

Sofia Jusufovic

Territorial Governance & Strategy Manager I
