Docket No. 20260001-EI

Filed: January 8, 2026

**FLORIDA POWER & LIGHT COMPANY'S SECOND REQUEST
FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION OF
MATERIALS PROVIDED PURSUANT TO AUDIT NO. 2020-007-4-1**

Pursuant to Section 366.093, Florida Statutes (“Fla. Stat.”) and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (“FPL”) hereby submits its Second Request for Extension of Confidential Classification of Information Provided Pursuant to Audit No. 2020-007-4-1 (the “Confidential Information”). In support of this request, FPL states as follows:

1. On May 26, 2020, FPL filed a Request for Confidential Classification of the Confidential Information, which included Exhibits A, B, C, and D (“May 26, 2020 Request”). By Order No. PSC-2020-0387-CFO-EI, dated October 19, 2020 (“Order 0387”), the Commission granted FPL’s May 26, 2020 Request. FPL adopts and incorporates by reference the May 26, 2020 Request and Order 0387.

2. On April 19, 2022, FPL filed its First Request for Extension of Confidential Classification of the Confidential Information, which included First Revised Exhibit D (“April 19, 2022 Request”). By Order No. PSC-2023-0017, dated January 5, 2023 (“Order 0017”), the Commission granted FPL’s April 19, 2022 Request. FPL adopts and incorporates by reference the April 19, 2022 Request and Order 0017.

3. The period of confidential treatment granted by Order 0017 will soon expire. The Confidential Information that was the subject of FPL’s April 19, 2022 Request and Order 0017 warrants continued treatment as proprietary and confidential business information within the

meaning of Section 366.093(3), Fla. Stat. Accordingly, FPL hereby submits its Second Request for Extension of Confidential Classification.

4. All the information designated in the April 19, 2022 Request remains confidential.

Accordingly, Exhibits A, B and C will not be reproduced or reattached here.

5. Included as Second Revised Exhibit D is the declaration of Michael V. Cashman in support of this request.

6. The Confidential Information is intended to be and has been treated by FPL as private, its confidentiality has been maintained, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, Fla. Stat., such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

7. As explained more fully in the declaration included as Second Revised Exhibit D, certain documents contain information concerning bids or other contractual data, the disclosure of which would impair the efforts of FPL to contract for goods or services on favorable terms. This information is protected by Section 366.093(3)(d), Fla. Stat.

8. Additionally, certain documents contain information relating to competitive interests, the disclosure of which would impair the competitive business of FPL and its vendors. This information is protected by Section 366.093(3)(e), Fla. Stat.

9. Nothing has changed since the Commission entered Order 0017 to render the Confidential Information identified in First Revised Exhibit C stale or public, such that continued confidential treatment would not be appropriate.

10. Upon a finding by the Commission that the Confidential Information remains proprietary confidential business information, the information should not be declassified for a period of at least thirty-six (36) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. *See Section 399.093(4), Fla. Stat.*

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials included with or incorporated in this Request, Florida Power & Light Company respectfully requests that its Second Request for Extension of Confidential Classification be granted.

Respectfully submitted,

SECOND REVISED EXHIBIT D
BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Fuel and Purchase Power Cost Recovery
Clause with Generating Performance Incentive
Factor

Docket No. 20260001-EI

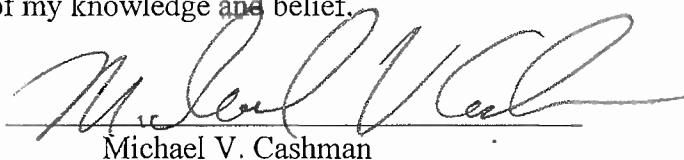

DECLARATION OF MICHAEL V. CASHMAN

1. My name is Michael V. Cashman. I am currently employed by Florida Power & Light Company (“FPL”) as Executive Director of Business Wholesale Operations, Energy, Marketing and Trading. I have personal knowledge of the matters stated in this written declaration.

2. I have reviewed Exhibit C, and the documents that were included in Exhibit A to FPL’s First Request for Extension of Confidential Classification of Materials provided pursuant to Audit No. 2020-007-4-1. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute data such as pricing and other terms, payment records, and vendor and supplier rates. Specifically, the documents include information related to the purchase or sale of energy and capacity, natural gas and natural gas storage. The disclosure of this information would impair the efforts of FPL to contract for energy and capacity related goods or services on favorable terms for the benefit of its customers and would impair the competitive interests of FPL and its vendors. Certain information in these documents and materials would also place FPL at a disadvantage when coupled with other information that is publicly available. To the best of my knowledge, FPL has maintained the confidentiality of this information.

3. Nothing has occurred since the issuance of Order No. PSC-2023-0017-CFO-EI to render the information stale or public, such that continued confidential treatment would not be appropriate. Therefore, the information should remain confidential for a period of not less than 36 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Under penalties of perjury, I declare that I have read the foregoing declaration and that the facts stated in it are true to the best of my knowledge and belief.

Michael V. Cashman
