Good morning, Sam,

Per your request below, the docket title, utility, and party have been updated to reflect LTE Wireless Inc. We removed the comma from the company name and, per our subsequent conversation, left the period at the end of Inc. The word application has also been changed to petition.

Thank you,
Dorothy

Subject: Docket No. 20250138-TP Request to Change Docket Title

Good morning Dorothy,

Please change the title of Docket No. 20250138-TP to read as follows:

“Petition for designation as a facilities based wireless eligible telecommunications carrier (ETC) in the State of Florida, by LTE Wireless Inc.”

This request is due to DN 00263-2026, in which the company acknowledged that it misstated its name in the original petition. The company also incorrectly referred to its petition as an application, which is corrected in the revised docket title.

Thank you,

Sam Day
