I am writing to formally oppose the proposed rate increase with the water/wastewater at Water Oak Country Club a 55+ mobile home park owned by Sun Communities Finance LLC.

I have lived here since 2002 and been through a few water main breaks and also understand there are meters not working properly and therefore the rest of us must pay the consequences.

I am 86, living on a fixed income from Social Security; therefore I feel the proposed increase is unjustified considering COL this year was only 2.8% and Sun Communities has just raised our rent more than what the COL was. I am not opposed to a REASONABLE rate increase but what they are proposing is totally UNACCEPTABLE.

As stated by Sun Communities there are 17 general customers that use Water Oak's water that apparently are not being billed and have not disclosed who these customers are so are we (the homeowners) are being billed for their usage?

Thank you,  
Marilyn PEGLER
