

**BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION**

In re: Petition for rate increase by Florida  
Power & Light Company.

DOCKET NO. 20250011-EI

FILED: February 6, 2026

**CUSTOMER MAJORITY PARTIES' JOINT REQUEST FOR ORAL ARGUMENT**

Pursuant to Rule 25-22.0022, Florida Administrative Code, the Office of Public Counsel (“OPC”), Florida Rising, Inc., LULAC Florida, Inc., better known as the League of United Latin American Citizens of Florida (“LULAC”), and Environmental Confederation of Southwest Florida, Inc. (“ECOSWF”), (collectively, “FEL”), and Floridians Against Increased Rates, Inc. (“FAIR”), jointly request that the Florida Public Service Commission ( “Commission”) allow oral argument on the Customer Majority Parties’ Joint Motion for Reconsideration of the Final Order Approving the 2025 Stipulation and Settlement Agreement (“Joint Motion”) filed concurrently with this motion on February 6, 2026. In support, OPC, FEL, and FAIR (“Customer Majority Parties” or “CMPs”) state as follows:

1. The CMPs request the opportunity to provide oral argument on the Joint Motion.
2. Oral argument would aid the Commission in understanding and evaluating the issues raised in the Joint Motion because the Final Order Approving the 2025 Stipulation and Settlement Agreement has already begun to impact Florida Power & Light Company’s approximately 12 million residential and business customers and is a matter of great public importance. Given that the errors raised in the Joint Motion are relatively novel and recent as they have become apparent only upon the publication of the Final Order on January 22, 2026, the CMPs submit that oral argument will be especially helpful to understanding the Joint

Motion such that it will assist in providing the Commission a fair opportunity to correct the errors.

3. Oral argument would allow the CMPs to provide additional context surrounding the numerous issues raised in the Joint Motion, as necessary.
4. Oral argument would also provide an opportunity for the CMPs to answer any questions that the Commission may have regarding the Joint Motion.
5. The CMPs respectfully request ten (10) minutes for each party to sufficiently address these important matters in oral argument.
6. The CMPs conferred with counsel for all parties regarding their position on the CMPs' Joint Request for Oral Argument. Americans for Affordable Clean Energy, Circle K Stores, Inc., RaceTrac, Inc., Wawa, Inc., Electrify America, LLC, EVgo Services, Inc., Federal Executive Agencies, Florida Energy for Innovation Association, Florida Industrial Power Users Group, Florida Retail Federation, Walmart Inc., and Armstrong Worldwide Industries, Inc. oppose this joint request. The Southern Alliance for Clean Energy takes no position on this joint request.

WHEREFORE, the CMPs respectfully request that the Commission allow each party ten (10) minutes to provide oral argument on the Joint Motion.

Respectfully submitted this 6th day of February, 2026.
