**Re: Docket No. 20260026-GU, Application for rate increase by Florida City Gas.**

Dear Mr. Everngam:

In response to your Test Year Notification Letter dated February 18, 2026, the Florida Public Service Commission (Commission) has opened Docket No. 20260026-GU for Florida City Gas' (Company) forthcoming base rate increase proceeding. It has been noted that the Company is requesting interim rate relief using the historic 12-month test period ended December 31, 2025. In addition, the Company proposes to utilize a projected 12-month test year period ending December 31, 2027, for the permanent rate increase proceeding. The Company's test year request is hereby approved for purposes of filing its Minimum Filing Requirements. However, please be advised that the appropriateness of the selected test years may be an issue in the proceeding.

It is my understanding that the Company intends to make its filing no earlier than April 20, 2026, in order to be in compliance with Rule 25-6.140(1), Florida Administrative Code (F.A.C.). If the Company is unable to file by April 20, 2026, it must notify the Commission in accordance with Rule 25-6.140(3), F.A.C.

If you have any questions or concerns regarding this matter, please contact Mark Cicchetti, the Director of the Division of Accounting and Finance at (850) 413-6066.

Sincerely,

Gabriella Passidomo Smith  
Chairman
