Docket No. 20190140-EI

Dated: February 27, 2026

**DUKE ENERGY FLORIDA, LLC’S
THIRD REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION**

Duke Energy Florida, LLC, (“DEF” or “Company”), pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), submits this Third Request for Extension of Confidential Classification (the “Request”) for certain information contained in DEF’s Response to Staff’s Third Set of Interrogatories (Nos. 17-20), served on October 18, 2019. In support of this Request, DEF states:

1. On November 15, 2019, DEF filed its Third Request for Confidential Classification (document number 10939-2019), for certain information contained in DEF’s Response to Staff’s Third Set of Interrogatories (Nos. 17-20), specifically questions 19 and 20, as it contains “confidential proprietary business information” under Section 366.093(3), Florida Statutes.

2. DEF’s November 15, 2019, Request was granted by Order No. PSC-2019-0533-CFO-EI on December 19, 2019. On June 17, 2021, DEF filed its First Request for Extension of Confidential Classification which was granted by Order No. PSC-2022-0241-CFO-EI on June 27, 2022, extending confidential treatment through December 27, 2023. On December 19, 2023, DEF

filed its Second Request for Extension of Confidential Classification which was granted by Order No. PSC-2024-0389-CFO-EI on September 3, 2024, extending confidential treatment through March 3, 2026. The information continues to warrant treatment as “proprietary confidential business information” within the meaning of Section 366.093(3), F.S. Accordingly, DEF is filing its Third Request for Extension of Confidential Classification.

3. DEF submits that the information contained in DEF’s Response to Staff’s Third Set of Interrogatories, identified in Exhibit “A” and Exhibit “C” to the November 15, 2019, Request¹ continues to be “proprietary confidential business information” within the meaning of section 366.093(3), F.S. and continue to require confidential classification. *See* Affidavit of Gene Flavors, Jr. at ¶¶4-6 attached as Revised Exhibit “D”. This information is intended to be and is treated as confidential by the Company. The information has not been disclosed to the public. Pursuant to section 366.093(1), F.S., such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the Public Records Act. *See* Affidavit of Gene Flavors, Jr. at ¶¶ 7-8.

4. Nothing has changed since the issuance of Order No. PSC-2019-0533-CFO-EI to render the information stale or public such that continued confidential treatment would not be appropriate. Upon a finding by the Commission that this information continues to be “proprietary confidential business information,” it should continue to be treated as such for an additional period of at least 18 months and should be returned to DEF as soon as the information is no longer necessary for the Commission to conduct its business. *See* §366.093(4), F.S.

WHEREFORE, for the foregoing reasons, DEF respectfully requests that this Third Request for Confidential Classification be granted.

¹ DEF hereby incorporates Exhibits A, B, and C to the Request, Document No. 10939-2019 submitted on November 15, 2019 in docket no. 20190140-EI as if attached hereto.

Respectfully submitted this 27th day of February, 2026.

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition by Duke Energy Florida, LLC to
Approve Transaction with Accelerated
Decommissioning Partners, LLC for Accelerated
Decommissioning Services at the CR3 Facility,
Transfer of Title to Spent Fuel, and Assumption of
Operations of the CR3 Facility Pursuant to the
NRC License, and Request for Waiver from
Future Application of Rule 25-6.04365, F.A.C. for
Nuclear Decommissioning Study

DOCKET NO.: 20190140-EI

Dated: February 27, 2026

**AFFIDAVIT OF GENE FLAVORS, JR. IN SUPPORT OF
DUKE ENERGY FLORIDA, LLC'S
THIRD REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION**

STATE OF NORTH CAROLINA

COUNTY OF MECKLENBURG

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Gene Flavors, Jr., who being first duly sworn, on oath deposes and says that:

1. My name is Gene Flavors, Jr.. I am over the age of eighteen (18) and I have been authorized by Duke Energy Florida, LLC (hereinafter "DEF" or the "Company") to give this affidavit in the above-styled proceeding on DEF's behalf and in support of DEF's Third Request for Confidential Classification ("DEF's Request"). The facts attested to in my affidavit are based upon my personal knowledge.
2. I am the General Manager for the Decommissioning of the DEF Crystal River Unit 3 Nuclear Plant (the CR3 Facility).
3. As the General Manager, I am responsible for ensuring that Accelerated Decommissioning Partners and Duke Energy Florida comply with their contractual obligations during the decommissioning of the CR3 Facility and that Duke Energy Florida meets its reporting obligations to the Florida Public Service Commission.

4. DEF is seeking its third extension of confidential classification for certain information contained in DEF's Response to Staff's Third Set of Interrogatories (Nos. 17-20), specifically questions 19 and 20, served on October 18, 2019. There are no changes to the information contained in DEF's confidential Exhibit A, redacted Exhibit B, and justification matrix C. The referenced Exhibits are on file with the Clerk. DEF is requesting an extension of confidential classification of this information because it contains competitively sensitive commercial confidential business information, the disclosure of which would impair DEF's efforts to contract for goods or services on favorable terms.

5. The confidential information at issue relates to commercially sensitive and contractual obligations pertaining to the terms and conditions set forth in a contract between DEF, ADP CR3, LLC and ADP SFI, LLC for decommissioning activities related to the accelerated decommissioning of the CR3 Facility, including information from the transaction, such as pricing. The disclosure of such information would not only impair the Company's competitive business advantages but would also violate contractual requirements. DEF is obligated to maintain the confidentiality of this information under the subject contract, and therefore it qualifies for confidential classification.

6. DEF negotiates with contracting parties to obtain competitive contracts that provide economic and other benefits to DEF's customers. If DEF cannot assure contracting parties that it can maintain the confidentiality of contractual terms, those parties and other similarly situated parties may forego entering contracts with DEF, which would impair the Company to negotiate such contracts on favorable terms.

7. The information identified as Exhibit A is intended to be and is treated as confidential by the Company. With respect to the information at issue in DEF's Request, such information has not been disclosed to the public, and the Company has treated and continues to treat such information as confidential.

8. Upon receipt of its own confidential information, strict procedures are established and followed to maintain the confidentiality of the terms of the documents and information provided, including restricting access to those persons who need the information to assist the Company, and restricting the number of, and access to the information and contracts. At no time since receiving the information in question has the Company publicly disclosed that information. The Company has treated and continues to treat the information at issue as confidential.

9. This concludes my affidavit.

Further affiant sayeth not.

Dated the 23rd day of February, 2026.

Gene Flavors, Jr.
General Manager
Duke Energy Crystal River, Unit 3
Nuclear Plant
