**Re: Docket No. 20260012-WS - Application for revised service availability charges and policy for water and wastewater service in Duval, Baker, and Nassau Counties, by First Coast Regional Utilities, Inc.**

Dear Mr. Deterding:

1. In its application, the schedule of service availability charges in the proposed tariffs does not match (Exhibit C) the customer draft notice. Please clarify the service availability charges the Utility intend to propose?
2. Please provide the electronic work papers in support of the utility's proposed service availability charges.

Please file all responses electronically no later than **March 16, 2026**, to the Commission's website at [www.floridapsc.com](http://www.floridapsc.com), by selecting the Clerk's Office and Electronic Web Form. Should you have any questions, please feel free to contact me at (850) 413-6435 or email me at [tbethea@psc.state.fl.us](mailto:tbethea@psc.state.fl.us).

Sincerely,
