DOCUMENT NO. 15529-2025

To whom it may concern:

My name is Karen Supparits. My husband, who passed away on Aug. 4th of 2010, and I bought in Water Oak in December 1996. I live alone at 405 Palmer Dr., Lady Lake, FL 32159 on Lot #2060.

We have always paid our bills for everything we used or bought. For Sun Communities not to have control of things that they should, I do not feel that it is my responsibility to have to take up the slack. In fact, I think that this is illegal. It is nothing less than stealing money from us to pay someone else's water usage. Who in their right mind would pay for something they did not use. With the cost of everything going up there is no way most of us will be able to absorb this substantial increase for something we did not use.

Sun Communities raises my lot rent the maximum amount they are allowed each year. Good thing there is a cap on this or I could not afford to live here. So, now they want to get extra financing through the water usage. This is unconscionable to say the least. I just had to replace my air conditioner and am looking at replacing my roof and also getting false teeth.

Sincerely,

Karen Supparits
