This is in response to docket number 202-501-37-su. Sunshine water services company. A request for increases in our rates for water has been petitioned by Sunshine water services again. I have had enough of the water increases as a consumer in lake county and I am requesting that that be denied finally. Our water bill is extremely high and it's getting to the point where it is not doable for most incomes. My name is Esther trundle 2646 meadow oaks loop Clermont Florida 34714. Thank you for responding to my written comment regarding the utility and proposed rates please keep me updated on the correspondence relating to this petition for our water rate increase by Sunshine water services company.

Please deny their request.

Thank you.
