Docket 20250088-WU Sun Communities Finance, LLC d/b/a Water Oak Utility.

To whom it may concern:

Water Oak Estates residents that have received the notice of water increase. I disapprove and oppose such a large increase for our community. Florida is one of the biggest retirement states that have many people on fixed incomes. This is irresponsible and manipulation corresponding with the lot rent increase to the residents. We ask this commission to significantly reduce or eliminate the proposed rate changes. I ask the Commission to reject the proposal.

This increase would be a huge burden for me as I am on a fixed income.

Thank you for your attention and taking the time to read my email.

Sincerely

Gerri L Segal
