NOTICE
TO CUSTOMERS OF ALTURAS WATER, LLC.
AND ALL OTHER INTERESTED PERSONS
DATED: FEBRUARY 20, 2026

On July 22, 2025, the Florida Public Service Commission (Commission) approved a rate increase for Alturas Water, LLC. However, due to a scrivener's error, the revised Violation Reconnection charge was not included in the utility's customer notice dated August 22, 2025, which included approved rates and charges.

Section 367.091(6), Florida Statutes (F.S.), authorizes the Commission to establish, increase, or change a rate or charge other than monthly rates or service availability charges. The utility's request for an increase in the charges was accompanied by a cost justification as required by Section 367.091, F.S.

For charges, the effective date shall be for service rendered or connections made on or after the Commission's stamped approval date on the tariff provided customers have received notice. Below are all of the utility's approved miscellaneous service charges.

MISCELLANEOUS SERVICE CHARGES

Premises Visit Charge	\$30.00
Violation Reconnection Charge	\$30.00
Meter Tampering Charge	Actual Cost
Investigation of Meter Tampering Charge	\$50.00
