RE: Docket No. 20260054-WS - Application for transfer of facilities in Levy County by FIMC HIDEAWAY, INC to DAD SIG LLC, an exempt entity, and amendment of Certificate Nos. 362-S and 426-W.

On April 7, 2026, FIMC HIDEAWAY, INC filed an application for a transfer of a regulated utility to an exempt entity other than a governmental authority, pursuant to 25-30.037(5), Florida Administrative Code (F.A.C). Staff reviewed the initial application and determined that DAD SIG, LLC did not qualify as an exempt entity pursuant to Section 367.022, Florida Statutes, and instead the transfer should be completed pursuant to Rule 25-30.037(2), F.A.C., which would be a transfer of a regulated utility to another regulated utility.

On April 14, 2026, the company was informed that a revised application must be filed in accordance with Rule 25-30.037(2), F.A.C., that correctly identifies DAD SIG, LLC as a regulated utility in order for the transfer to be completed. On May 7, 2026, the Utility filed its revised application identifying DAD SIG, LLC as a regulated utility. Based on the foregoing, the docket title should be updated to reflect the revised information included within the application.
