.21 Sprint Rewards Program \*

The Sprint Rewards Program is a customer benefit program available to existing Sprint residential customers based on customer monthly residential long distance usage and enrollment in the program. Members of the Sprint Rewards Program will earn reward points for every dollar of Sprint qualifying charges, which can be redeemed as described herein. The program is not available to Sprint employees, business accounts or to any Sprint customer presently enrolled in the Cool Rewards, Airline Partnership or Cash Back programs.

This program is available to existing Sprint residential long distance customers who maintain a consecutive three month long-distance billing average of \$50 or more of Sprint qualifying usage from qualifying services and who (1) are contacted by Sprint, (2) receive marketing material pertaining to this plan, or (3) contact Sprint to enroll in this program. If a customer's consecutive three month billing average falls below \$50, Sprint may terminate the customer's participation in the program and all points are forfeited.

Members are awarded 20 points for every dollar of Sprint qualifying charges from qualifying services reflected on each monthly invoice. Qualifying charges are defined as all monthly recurring charges, usage charges and service charges. Qualifying services include all residential long distance Dial-1, toll free, collect, and Sprint FÖNCARD usage, net of all applicable credits and discounts. Qualifying charges do not include taxes, surcharges, operator service, Carrier Line charges, Universal Service charges, or equipment charges.

\* Effective July 8, 2004, Sprint Rewards Program will no longer be available to new customers. As of July 6, 2005, the Sprint Rewards Program will be terminated. However, members having at least 3,000 Sprint Rewards points and whose Sprint account is in good credit standing, will be able to redeem their eligible reward points through November 3, 2005. Any points not redeemed by November 3, 2005 will be forfeited.

To redeem points earned, the member's account must be in "active" status and good credit standing. Members can redeem points for various different Sprint services or vendor services/offers as described in the Sprint Rewards Program membership literature. However, Sprint Complete Sense customers who are also Sprint Rewards Program members may not redeem their points to pay for any Sprint Complete Sense products. Unless otherwise stated herein, points are valid for the life of the member's participation in the program. Members begin earning points once their enrollment has been processed, but may not redeem points until the member has been in the Sprint Rewards Program for at least 60 consecutive days. If the member's Sprint account is not in good credit standing and is canceled or disconnected, all points earned, including bonus points, on that account are automatically and immediately forfeited. In the event Sprint terminates this program, members can redeem their reward points for up to 120 days following Sprint notification of program termination. After the 120 day period, all points will be forfeited.
