A Customer's phone line may not be classified as a "residential," "public," or "semi-public" line or in housing associated with educational institutions.

The term "Dial-1" does not include: 1) calls which are pay-for-use, including but not limited to calls to 900, 976, 555 and 700 numbers, 2) calls to Directory Assistance, 3) operator service calls, including emergency interrupt and intercept call completion, **4) usage** from multi-party conference calls, and **5) inbound toll free service calls.** (C)

If the Company determines the service is not being used for business service or in any other way violates the restrictions of this service, the Subscriber will be ineligible for the service and the Company may terminate the Customer's account

Calls placed **using Operator** Services are charged at the applicable rates for those services in lieu of the rates specified herein for Voice Solutions. (C)

Voice Solutions has minimum annual commitment (MAC's) levels with each level having one through three-year commitment terms. Voice Solutions is available to single and multi-location customers for outbound calls which originate using switched access facilities and terminate using shared use facilities. A term plan will automatically renew for an equivalent term and minimum annual commitment level unless the customer provides written notification to cancel the plan, with such notification being received by the Company not less than 45 days prior to the expiration of the term.

A Voice Solutions customer must commit to one of the following minimum annual commitment levels of contributory usage charges: (1) \$1,500, (2) \$3,000, (3) \$6,000, (4) \$12,000, (5) \$36,000 or (6) \$60,000. Voice Solutions is available on a one-year, two-year or three-year basis. Contributory usage charges (calculated prior to the application of any discounts) are aggregated across outbound, toll free, switched data (inbound and **outbound**), **including** all calling options; all locations and all jurisdictions (intrastate, interstate and international) in order to meet the minimum annual commitment level. (C)

The Company reserves the right, after the conclusion of the first three billing months of the Voice Solutions customer's contract, to move the customer to a lower commitment level that is more directly comparable to the customer's current usage.

Voice Solutions customers terminating all Voice Solutions services prior to fulfilling their term commitment will be assessed a termination liability in an amount equal to the underutilized portion of the MAC plus the full MAC for any remaining 12 month periods in their term plan agreement. The termination liability will be billed in one lump sum. Customers will not incur this termination liability for their former term plan commitment if they request a new MAC equal to or greater than the previous level and agree to sign a new term plan agreement for a period equal to or greater than the term of their current plan. The customer will, however, be assessed the termination liability if they terminate all Voice Solutions service prior to fulfilling their new term commitments.
