Dear Ms. Salak:

Verizon Florida LLC (TL710) seeks to make an administrative revision to its tariff filing of November 15, 2012, that revised its Facilities for Intrastate Access Tariff to implement the FCC's rule revision of June 5, 2012.

Facilities for Intrastate Access

6. Switched Access

6.6.2 Switched Transport

(C) Tandem Switching

The attached tariff page corrects a transcription error in the Tandem Switching Originating rate, which was inadvertently increased in the filing. This correction returns the rate to its original status.

Verizon Florida respectfully requests to replace the previously filed tariff page with the attached tariff page.

If you have any questions or need additional information, please do not hesitate to contact me.
